The 3-1-1 rule for LATAM Airlines passengers refers to international airport security regulations that control how liquids, gels, and aerosols are carried in hand luggage 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). Meaning of the 3-1-1 Rule Explained Clearly

The term 3-1-1 breaks down into three simple requirements 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). Each liquid container must be 3 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).4 ounces or 100 milliliters or smaller 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). All containers must fit into one transparent, resealable plastic bag 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). Each passenger is allowed only one such bag in their carry-on luggage when flying with LATAM Airlines 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

How LATAM Airlines Applies This Rule

LATAM Airlines follows airport security regulations rather than creating its own liquid restrictions 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). This means passengers must comply with the 3-1-1 rule at security checkpoints before boarding any LATAM flight, especially on international routes or flights departing from regulated airports worldwide 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Items Included Under the 3-1-1 Restriction

Common items under this rule include shampoos, conditioners, lotions, toothpaste, perfumes, gels, creams, and aerosols 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). If any of these items exceed the 100 ml limit in your carry-on bag, airport security may not allow them through the screening process 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Can You Carry Larger Liquids on LATAM Flights

Yes, passengers can carry larger liquid containers if they are placed in checked baggage 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). The 3-1-1 restriction mainly applies to carry-on luggage, making checked bags the preferred option for full-size toiletries and liquid products 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Exceptions to the 3-1-1 Rule

Certain essential items are exempt from standard liquid restrictions 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). These include prescription medications, baby formula, breast milk, and medically necessary liquids 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). However, passengers may need to present these items separately during security screening 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Why the 3-1-1 Rule Exists

The rule was introduced to improve aviation security by limiting the amount of liquid passengers can bring into aircraft cabins 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). It helps reduce potential risks while ensuring smoother and safer security checks at airports 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

How to Pack According to LATAM Rules

To comply with LATAM Airlines security requirements, passengers should use travel-sized containers, keep all liquids inside a single clear bag, and ensure the bag is easily accessible during security screening 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). This helps avoid delays and confiscation of items 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Domestic and International LATAM Flights

The application of the 3-1-1 rule depends on airport and country regulations rather than LATAM itself 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). Most international LATAM flights strictly enforce the rule, while domestic flights may follow local aviation security standards 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

What Happens If You Don’t Follow the Rule

If liquid items exceed the allowed limit, airport security may remove them from your carry-on luggage 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). In some cases, passengers may be required to place items in checked baggage if time and airport procedures allow 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Airport Security Enforcement for LATAM Passengers

Security staff at the airport, not LATAM Airlines employees, enforce the 3-1-1 rule 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK). All passengers must pass through screening checkpoints where carry-on items are inspected before boarding the aircraft 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).

Travel Convenience and Compliance Tips

Importance of Following Global Aviation Standards

The 3-1-1 rule is part of international aviation safety standards applied across many airlines and airports 📞 + 1 855 564 1122 [US] or +44→808→196→2756 (UK).
